INFORMATION DISCLOSURE STATEMENT

Please consider the references listed on the enclosed PTO-1449 form. Non-patent references are enclosed; cited U.S. patents and patent application publications will be provided on request. A copy of a communication from a foreign patent office in a counterpart application is also enclosed.

This statement was originally filed on January 28, 2009, a day before the Notice of Allowance was mailed to Applicants. Accordingly, this statement is being resubmitted with a Request for Continued Examination.

Further, Applicants note that in the non-final Office Action dated June 22, 2007, the Office returned initialed copies of applicants' Information Disclosure Statements (IDS) filed on January 3, 2005 and June 15, 2006. All references cited were initialed in those copies except WO 2002/056931, which was cited in the IDS filed on January 3, 2005 as reference AL. No initials appear by the side of that reference.
